I'm sure getting tired of reading and hearing about this! Let's quit wasting my tax money and dispose of this case. It looks like you're running interference for Microsoft's competitors (who, in many cases, probably wouldn't even exist if it weren't for Microsoft). Get it settled and get the holdout states in line. I'm from Iowa and I'm ashamed to see the AG trying to get into Microsoft's pockets. Get more from the Web.
